

Dear Valued Supplier,

Arbor Material Handling, Inc., Pengate Handling Systems, Inc., and Pengate Handling Systems of New York are merging as of April 1, 2024. This means Arbor Material Handling, Inc. and Pengate Handling Systems of New York, Inc. will become Pengate Handling Systems, Inc. Your company will still work with the same great team. This merger will allow Arbor Material Handling, Inc. and Pengate Handling Systems of New York, Inc. customers to work with a company that can provide even more solutions than previously offered.

As a result, there will be certain process and technology changes that may affect you directly, including updating our customer record within your system, purchase order issuer, invoice information, remittance information and accounts payable contact information.

HOW WILL THIS IMPACT YOU?

Topic	What You Need to Know
